Preschool Speech & Language Services

*Promoting healthy communication
development for children from birth to
school entry.*

Who are we?

Preschool speech-language pathologists promote healthy communication development from birth to school entry.

How can we help?

Call us if your child needs help with any of the following:

- speech sounds
- understanding the meaning of words and sentences
- using words and making sentences
- play or social skills
- stuttering
- voice
- augmentative or alternative communication
- any communication difficulties due to cleft lip/palate, hearing loss, ASD, FASD, developmental delay

What do we do?

We provide the following services:

- assessments
- therapy (individual or group)
- consultation to parents and children's programs
- education programs for parents, early childhood educators and general public
- collaboration with community agencies
