

AV0600 – LATEX SENSITIVITY PREVENTION PROGRAM

Interior Health would like to recognize and acknowledge the traditional, ancestral, and unceded territories of the Dākelh Dené, Ktunaxa, Nlaka'pamux, Secwépemc, St'át'imc, Syilx, and Tšilhqot'in Nations, where we live, learn, collaborate and work together.

Interior Health recognizes that diversity in the workplace shapes values, attitudes, expectations, perception of self and others and in turn impacts behaviors in the workplace. The dimensions of a diverse workplace includes the protected characteristics under the human rights code of: race, color, ancestry, place of origin, political belief, religion, marital status, family status, physical disability, mental disability, sex, sexual orientation, gender identity or expression, age, criminal or summary conviction unrelated to employment.

1.0 PURPOSE

To promote worker health and wellness by reducing the risk of exposure to Latex Products in the workplace.

2.0 DEFINITIONS

TERM	DEFINITION
<i>Latex</i>	<i>Natural rubber Latex is a product made from the tacky, milky sap that is produced by the commercial rubber tree and used for its elasticity and barrier properties.</i>
<i>Latex Allergy</i>	<i>A hypersensitivity to Latex that causes either:</i> <ul style="list-style-type: none"> <i>Allergic contact dermatitis due to direct contact with the chemical additives in natural rubber Latex or synthetic rubber, or</i> <i>An immune response (e.g., anaphylaxis) due to exposure to the proteins in natural rubber Latex</i>
<i>Latex Products</i>	<i>Latex-containing or natural rubber-containing medical devices, personal protective equipment, and household items. Latex Products can include gloves, bandages, condoms, balloons, rubber bands, airway tubing, intravenous tubing, catheters and stethoscopes.</i>
<i>Latex Sensitivity</i>	<i>A reaction to Latex that may result in a Latex Allergy with repeated exposures. It typically presents as irritant contact dermatitis.</i>
<i>Worker</i>	<i>All IH workers (contract and non-contract), physicians, volunteers, students, and/or contractors.</i>

3.0 POLICY

- 3.1 Interior Health (IH) is committed to providing a safe and healthy work environment for all workers and will continue to eliminate Latex Products from the workplace wherever feasible.
